The health history is correct, as far as I know, and the person herein described has permission to engage in all planned camp activities except \_\_\_\_\_. I hereby give permission to the medical personnel selected by the camp director to order X-rays, routine tests, treatment; to release any records necessary for insurance purposes; and to provide or arrange necessary related transportation for me/or my child. In the event I cannot be reached in an emergency, I hereby give permission to the physician selected by the camp director to secure and administer treatment, including hospitalization, for the person named above. This form may be photocopied for trips out of camp. I also give permission for treatment of minor ailments. Qualified staff may administer over-the-counter medication for comfort measures except:

Aspirin  Tylenol  Ibuprofen  Benadryl  Sore Throat Spray  Pepto Bismol  Tums  Hydrocortisone  
 All medications brought to camp must be submitted to the camp registrar who will dispense it. (Exception: inhalers and bee sting medications.) All medication must be labeled with campers name and be accompanied by a note of instruction.  
 I give permission for Camp Appanoose to use photos of the above named camper in camp promo materials and/or camp website and Facebook posts.

Parent/Guardian/Adult Camper Signature \_\_\_\_\_

DATE \_\_\_\_\_

# The Chief's Code

- ▲ I will show respect in my speech toward God and my fellow man.
- ▲ I will be loyal to each member of my group, including my counselor, and honor those in authority.
- ▲ I will be trustworthy and courageous in doing what is right.
- ▲ I will show kindness and compassion toward others, expressing appreciation, and being ready to forgive when wronged.
- ▲ I will care for the property of others and demonstrate concern in protecting the environment.

*Signature* : \_\_\_\_\_

*Date*: \_\_\_\_\_

- ▼ Chief Appanoose was a quiet natured diplomatic leader while yet a child. He was deeply loved by his people and demonstrated that young people may make a difference.
